

Bavaria C38 (2026) – Ionian Flotilla

Yacht specifications

Built	2026	Draft	2.00 m
Cabins	3	Engine	40 h.p.
Berths	7	Fuel Capacity	180 litres
Heads	2	Water Capacity	180 + 135 litres
Length Overall	11.31 m	Height in Saloon	2 m (Approx.)
Beam	3.98 m	Sail area	tba

The BAVARIA C38 combines perfect sailing characteristics, easy handling and maximum use of the interior space. Distinctive design features, such as the BAVARIA V-bow and Chines at the stern, guarantee safe and fast sailing characteristics and an incredible amount of space below deck. In the owner's cabin in the bow, the double bed measures a sensational 1.73 x 2 metres. The berths in the stern cabins measure 1.50 x 2 metres, which must also be close to a record for this size of boat..
